

trunk, are keeping up the fast pace set by the retreating Germans.

The American losses so far have been astonishingly light, compared with the size of the operation. There has been fighting by the enemy but of a half-hearted sort, except in a few cases, where for brief intervals strong stands were made by little garrisons left behind.

Only Few Escape.

One of these was at Barricourt, which was occupied just after 4 o'clock Sunday morning, the southern edge of the village having been taken Saturday night. The distance between the Americans and the Germans was less than three hundred yards. Ordered to advance, the Americans plunged down the streets with fixed bayonets, shooting as they went. The Germans shot their ground only for a few moments. It was a bloody interval. Only a few of the Germans escaped.

Scores of small fights occurred in the woods and ravines between enemy machine gun crews and the advancing Americans. Throughout the day the American artillery heavily bombarded the German lines along the entire front.

After cleaning up Tally the Americans took Hill 288 and a little later occupied Les Fontaines farm. The village of Le Champ-Haute was taken Sunday morning, marking an advance of five miles northward from Basseville. The Americans did not stop there but pressed on.

Booby Is Growing.

One division which on Saturday captured seventy-nine officers and 2,170 men, sixty machine guns and twelve miles of 77 caliber, was reported today to have largely increased its booty.

Troops on the right, like those on the left and central, also continued to move forward, although less rapidly than the others. The heights of Montigny, four miles north of Clermont-Ferrand, were reached at noon. When the Americans occupied the height it was seen that the Germans had evacuated the region immediately to the north.

Early Surrender of Germany Is Foreseen

LONDON, Nov. 4.—Military authorities, who three weeks ago were skeptical over the return of peace because of the military situation, are convinced that the German army is in a serious condition owing to its inability to shorten its line and produce fresh reserves.

It is pointed out that German casualties this year amount to 2,500,000, of which a million are permanent casualties. Last March Germany had eight fresh reserve divisions, which meant divisions which had not been in line for a month. Now the German reserve consists of fifty divisions, only seven of which had as much as a fortnight's rest.

Regiments Are Reduced.

It is estimated the minimum for an efficient force. German divisions now are appearing on the firing line with many hundreds of rifles below the German normal of 6,720.

On October 31 regiments in forty or fifty divisions were reduced from a full company to a three-company basis. Many of the youths of the 1920 class which the Germans wished to hold until spring are now in the field. It is Germany's last power hope.

Third of Guns Lost.

It is calculated that Germany had 15,000 guns on July 15, of which a third have been lost. The number of guns and batteries has been reduced and some batteries have been equipped with third rate weapons.

Attack on Scheldt Line Resumed Today

LONDON, Nov. 4.—At dawn this morning British troops south of the Scheldt river attacked on a wide front, according to a report received from Field Marshal Haig today. The report says that the attack has been launched satisfactorily.

Railway Lines Under Fire of Yankee Guns

WASHINGTON, Nov. 4.—The first American army has captured dominating heights from the German northwest of Verdun and brought under the fire of its heavy guns the important railroads at Montmedy, Longuyon and Conflans. General Pershing so reports in his Sunday evening communique, announcing an advance for the first army of twelve miles on an eight-mile front in three days.

Prisoners captured numbered more than 5,000 and guns more than 100.

The dispatch adds: "The first American army continued its successful attacks today, capturing in its advance the following villages: Bouchaux-Bois, Autriche, Belleville-sur-Bar, Harricourt, Gernont, Bar, Aubre, Fosse, Sommeville, Belval, Nouart, St. Pierre, Barcourt, Tally, Hales, Montigny, Sasse, Châtillon-sur-Bar and Brilleul-sur-Bar.

Hun Losses Heavy.

"Heavy losses have been inflicted on the enemy, due to the continuous blows during the past month and by the surprise and force of the renewed attack on November 1. Statements of prisoners show that his organizations have been thrown into great confusion. Several complete batteries and whole battalions have been captured by our troops. The number of prisoners now exceeds 5,000 and the number of guns more than 100.

"Since November 1, seventeen German divisions have been identified on the front of the attack, nine of which were in line on that morning; and additional divisions have reinforced the line since the beginning of the attack in a futile effort to stop our progress."

Borches Claim Yank Drive Was Checked

BERLIN, Nov. 4.—(Via London).—Strong attacks delivered by the Americans west of the Meuse between Sommeville and Belval yesterday were brought to a standstill, army headquarters announced in today's official report.

To the east of Valenciennes the German line has been withdrawn to some extent.

In connection with the German withdrawal west of the Aisne there was a withdrawal of the line to some extent.
